

The Parish Church of  
St Elizabeth's, Ashley

# UPDATE

## Ashley Parish Project Ashley Village Community Facility

### **'The light is now visible at the end of the tunnel'**

Work is about to start on the installation of a completely new gas fired central heating system and a date is marked in the diary for all works to be completed by the 1<sup>st</sup> of September 2015.

A formal opening of the facility will be marked with an 'Open Day'.

### **Look out for further details of the Open Day and Harvest Festival Service**

This date will be confirmed sometime after our new Vicar, Revd Keith Addenbrooke starts. Keith is currently Vicar of St Paul with St Luke Tranmere.

The Rt Revd Libby Lane, Bishop of Stockport will institute Keith at St Peter's Hale on Monday 7 September 2015 7.30pm. The Ven Ian Bishop, Archdeacon of Macclesfield will induct Keith at the same service followed by refreshments in St Peter's House. You are all invited to attend this special service and welcome our new Vicar.

It is hoped local community organisations, clubs, groups and societies will visit our new community space in order to consider the suitability of the facilities for their requirements. If you would like to arrange a visit to see this great new space please or have any queries do not hesitate to contact me via email (details below).

Finally, if you would be interested in giving something back to the Ashley Village Community Facility and feel you would be able to spare a few hours a week to help as 'Booking Organiser' again please do not hesitate to contact me.

I look forward to hearing from you and welcoming you into our new, warm community facilities.

Yours sincerely

Peter Hardern  
Chair of Ashley Parish Project
